To whom it may concern

Re: GRCF2017 (From Stars to Baht: Broadening the economic impact of astronomical data handling techniques in Thailand)

The School of Science, Mae Fah Luang University strongly supports Dr.Anant Eungwanichayapant being included as named collaborator on the application for funding, which is linked to the project UK STFC-GCRF 2017 - From Stars to Baht: Broadening the economic impact of astronomical data handling techniques in Thailand.

Yours faithfully,

Dr.Sunita Chamyuang

Assistant Dean of School of Science,

on behalf of Acting Dean of School of Science

Mae Fah Luang University
