Re: GRCF2017 (From Stars to Baht: Broadening the economic impact of astronomical data handling techniques in Thailand)

The School of Management, Mae Fah Luang University strongly support Ms.Pittana Noichangkid being included as named collaborator for the application for funding, which is linked to the project UK STFC-GCRF 2017 - From Stars to Baht: Broadening the economic impact of astronomical data handling techniques in Thailand

Your Faithfully,
Dr.Chatrudee Jongsureyapart
Dean of School of Management
