TO WHOM IT MY CONCERN

Re: GRCF2017 (From Stars to Baht: Broadening the economic impact of astronomical data handling techniques in Thailand)

The School of Information Technology, Mae Fah Luang University strongly supports Dr.Tossapon Boongoen, Dr.Natthakan Iam-On and Mr.Vittayasak Rujivorakul being included as named collaborator on the application for funding, which is linked to the project UK STFC-GCRF 2017 - From Stars to Baht: Broadening the economic impact of astronomical data handling techniques in Thailand.

Yours Faithfully,

Dr.Teeravisit Laohapensaeng
Acting Dean of School of Information Technology
Mae Fah Luang University
